**Conference goals are to support and empower school counselors and college access partners with the:**

- **Knowledge** of laws and rights of immigrant and undocumented students and resources for students and families.
- **Attitudes** necessary to take personal responsibility as advocates for immigrant and undocumented students.
- **Skills** to navigate the college application process, locate funding options, access post-secondary opportunities, and utilize culturally competent techniques to mentor, counsel and advice future college candidates.

*“Your work to address issues of social justice with high school counselors is really exciting because they are the ones that are out in the field every day talking to our youth.”*

Nancy Jodaitis, San Francisco State University
